A black and white woodblock print illustration. On the right, a woman in a kimono with a dark patterned sleeve stands on a veranda, looking out. She holds a small object. The background is split: the left side has a large red wave pattern with white blossoms, and the right side shows a dark, rocky cliff with a small building. The style is traditional Japanese woodblock print.

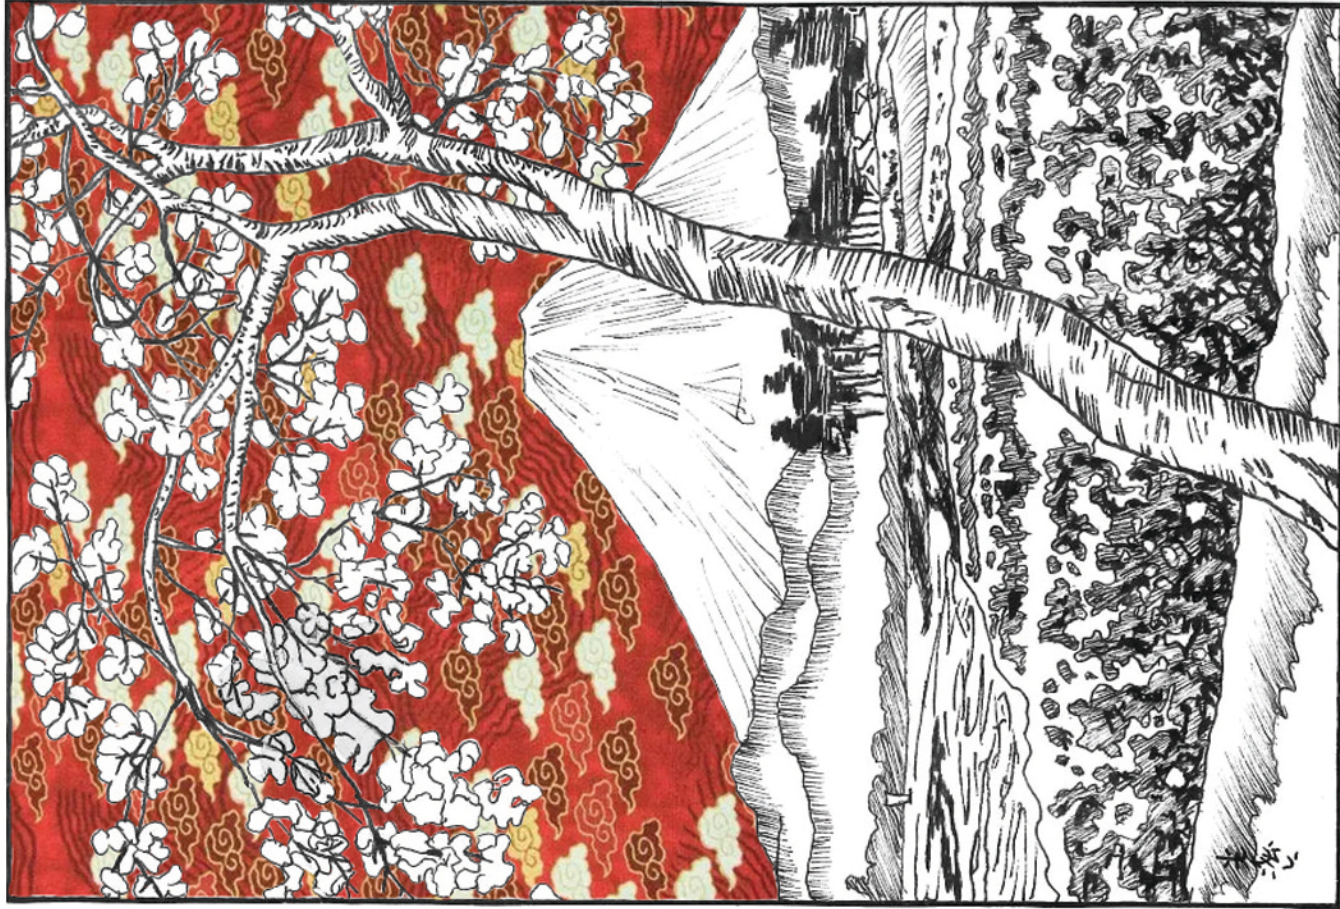

A black and white woodblock print illustration. On the right, a woman in a kimono with a dark patterned sleeve stands on a veranda, looking out. She holds a small object in her hand. The background is split: the left side has a large red wave pattern (nami) with white blossoms, and the right side shows a dark, rocky landscape with a small building. The artist's signature '九' is visible near the woman.
